

## U3A in Ludlow July 2020 News

### U3A November Newsletter

U3A in Ludlow is inevitably less busy at the moment than it normally is. Some groups are still functioning using Zoom. Others may be relying on emails to share ideas. And there may be other ways of working and other things happening that I don't know about.

I am keen to gather material for the printed November Newsletter. This will no doubt contain the usual information about the Committee, about subscriptions and hopefully about Monday morning meetings for 2021. I would like it also to contain writing, pictures, puzzles that may be of interest to members. I would be delighted if you could write something, which does not necessarily have to be your experience of being in a U3A group – although of course it could be. You might contribute your experience of volunteering during lockdown; of learning activities you have undertaken; of what you have learnt from and during lockdown. You may have done on-line courses, you may have used Zoom for the first time, you may well have done things I cannot possibly imagine. Please think about sharing some of it. If this is through words, the writing can be short or long – five hundred words is about a page, but the writing could be longer or much shorter than that. Or you might communicate through a picture, or through words and pictures, or offer a quiz or a puzzle or a poem. If you want to discuss any ideas you might have please do get in touch. My email address is [derek@ludlowballs.force9.co.uk](mailto:derek@ludlowballs.force9.co.uk) and my telephone number is 01584 879180. I need to receive contributions by 26th September. I look forward to hearing from you.

**If you change your email address please remember to let us know, so that you can continue to receive the *U3A in Ludlow* monthly news.**
