

U3A in Ludlow June 2020 News

U3A Monday morning meetings

There will be no meeting in June. I have been in touch with the booked speaker who has kindly agreed to give his presentation in 2021.

Sue Billing

French Conversation Group

Many thanks to our group leader Roger Furniss for his sterling work in keeping the group going via email during this lockdown. We had no idea whether this would be successful, but due to Roger's ability to motivate everyone it has been a resounding success. I'm sure all the members of our group would join me in thanking Roger. We will, of course, meet again!

Jane Whittaker

Bridge

A subset of the U3A Bridge Group has become very active, using a free on-line Bridge website called Bridgebase Online (BBO) to play together. There are at least six groups of four taking part each week. BBO keeps a history of the hands that have been played, so that people can go back and look at what they did (and might have done).

A gentle suggestion

Following my sending out the monthly News, not infrequently I receive notices from U3A members for distribution, notices that do not then get sent out until the following month's News. If you have a notice you want distributed you can if you want send it to me towards the end of the month, in which case it will go straight out.
